Class Descriptions

Fiddle

Students will learn to read music as they learn fundamental instrument techniques and of course, great fiddle tunes! Canada is home to a wide range of fiddle styles and we will explore many of these including Old-Time, Metis, French Canadian, Celtic/East Coast, Bluegrass, and more.

Gotta Dance

Gotta Dance is for any 3 to 5 year old who want to "move to the music". Each week a new imaginative theme is introduced to the young dancers to enhance their concept of rhythms, movement and overall delight. The program is a great introduction to dance.

Ottawa Valley Stepdance

Ottawa Valley Stepdancing is a lively and entertaining regional form of dance which first began in the early 1900s evolving from Irish and Scottish dance. Stepdance is traditionally danced to *fiddle* music which is also a very significant part of our rich Canadian heritage. Dancers will learn common traditional dances including clogs, jigs, & reels. Focus will be placed on timing, rhythm, presentation, and endurance.

Dancers may work toward joining our *modern competitive stepdance team*. This program offers dancers the opportunity to challenge themselves with creative contemporary routines.

Irish Dance

Done to lively traditional Irish tunes, as well as more modern versions of reels, hornpipes, slip jigs, and jigs, modern Irish solo dance consists of two parts: quick, light and high-leaping movements done in leather slippers (soft shoes or ghillies), and pounding rhythmic steps done in tap-like shoes (hard shoes).

Students, of all ages, start with basic soft shoe movements and technique, and then learn their first jig or reel. The hard shoe dances begin once soft shoe technique is mastered – usually after several months. In addition, all classes learn traditional group (*ceill*) social dances.

Zumba

The only Latin-inspired dance-fitness program that blends red-hot international music, and contagious steps to form a "fitness-party" that is downright addictive. This class is a DanceFIT high-energy, aerobics dance party incorporating many different forms of dance choreography. There's no other fitness class like a Zumba Fitness-Party. This cardio blast party workout will combine cardio, powerful movements and strength all in one fun class. You will shuffle, shake, heat things up with the hottest music and moves. No dance experience is required. Just move your body and follow the lead. It's easy! Try it, and it is guaranteed that you will have a blast!

Most tap shoes will come with single taps installed. These are fine for the beginner student. For more advanced students, we sell stepdance taps at the studio.

Supplies for Practicing at Home...

More advanced students will need a pair of Irish soft shoes or ghillies (see your teacher for buying locations). Ghillies cost \$30 to \$100, and often can be found used. When it's time to start learning hard shoe steps, hard shoes can be bought for \$75 to \$150, and can also be found used.

ZUMBA:

Acceptable athletic attire. Anything goes except jeans and sweatshirts. T-shirts and exercise pants and shorts should stretch with the body and be made of wicking material to keep you dry. Socks should fit snugly and be thick enough to provide a barrier against blisters. For ladies, a supportive sports bra is recommended. Wear shoes that offer stability and cushion without too much traction. Plain workout sneakers are recommended.
